That, when you Bulldogs of '31 have disbanded and new teams have taken your places, the SPIRIT OF THE BULLDOGS may not die in you—that it may grow ever larger in your hearts—we leave to you this Meteor of 1931.

Winslow Senior and Junior High School

Alma Mater

Once again as our class-mates assemble,
We fain would lift our hearts in song
To our high school our dear Alma Mater
Let gladness the moments prolong.
We are proud of our lads and our lasses,
Of honors won in days gone by.
So here's a cheer for our old High School
For Winslow High School,
Our dear old high.

Here's to our classes,
Here's to our lasses,
Here's to the lads we adore,
Here's to the Seniors so mighty
Juniors so flighty
Freshie and Sophomores.
Let mirth and gladness
Banish all sadness
Then as the days go by,
You'll find us ready and steady
Boosting for Winslow High

Senior Class History

In the fall of 1927 one of the most important events in the history of Winslow High School occurred. These (shall we call them students?) at once became noticed in school activities. In our Freshman year, Julia Waits took second place for piano solo at Flagstaff, and Ambrose Baca won first place for his saxaphone solo. The class had lettermen in football, basketball, and track.

Everyone who was in school at the time remembers the Sophomore dance and what a fine time he had. The class again shone in athletics. Ambrose Baca again won first place at Flagstaff for his clarinet solo.

As Juniors, the class of 1931 sponsored many activities. A fine Junior-Freshman dance was given. The class play "The Mummy and the Mumps" was a huge success. And, of course, the "Jungle Prom" was the "swellest" prom Winslow High School has yet seen. There were ten lettermen from this class on the football team, two on the basketball team and two in track. At the inter-scholastic contest, James Whiteaker won first place in both boys' solo and oration and Apolinar Rodriquez won first place for the trumpet solo.

The saddest blow the class has ever known came when they were Juniors. Sam Curtis, our beloved classmate, passed away.

As high and mighty Seniors, these once young and green students excel more than ever. They had eleven lettermen on the football team and four on the basketball team. Matias Gallegos, a Senior was this year's captain for the football team, and David Parker was chosen captain for the spring track team. "The Lucky Break", as "The Mummy and the Mumps" received much praise. A number of our class-mates are now working in different departments for honors in the scholastic contest.

SENIORS!

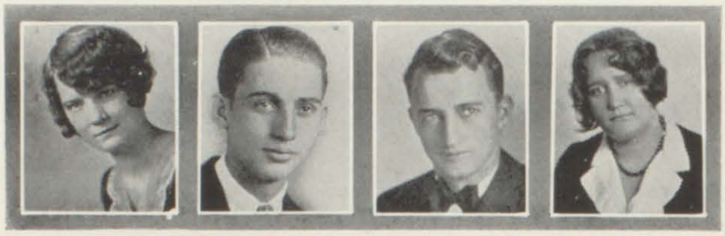

The Seniors are mighty, the Juniors are Flighty
Freshies and Sophs are O. K.
They say we're conceited, and they try to mistreat us,
But watch all the crying, when we're gone away.

You've got to admit we're the finest class yet
Don't think we're conceited, we're just full of pep
We, too, were once Freshies and had our big day,
But here comes a Senior, Give way! Give way!

We'll leave behind us our troubles, our cares,
Our joys, and heartaches, and other things rare.
And when you're a Senior so mighty and gay
Think of past classes when they held sway,

Think of the class who outstands them all
"The Seniors of '31"
Once and for all.

In September 1928, one of the finest and largest classes of Freshmen began their educational career in Winslow High School.

In the fall of 1929 this same group entered the High School as Sophomores. It was quite a successful year for the Sophomore athletes. The boys were class champions in the class basketball tournament and the girls ranked second in the girls class tournament. George Haynes was made basketball captain for 1931. The sophomores certainly stepped to the front.

Now these same students are Juniors. Several of our classmen left us to become Seniors. Colleen has stepped in Aileen Rhodes' place as yell leader, and what a fine one she is! George Dietz is to be football captain for next year.

The Juniors displayed their ability as actors and actresses in their play "Ghost Bird", which was a decided success. Colleen Quinn was also successful candidate for "Miss W. H. S." Oh, these Juniors!

Since entering High School, we have lost three members: Clara Ketring, Carl Bruchman and Adrian Guardian.

THE JUNIOR CLASS

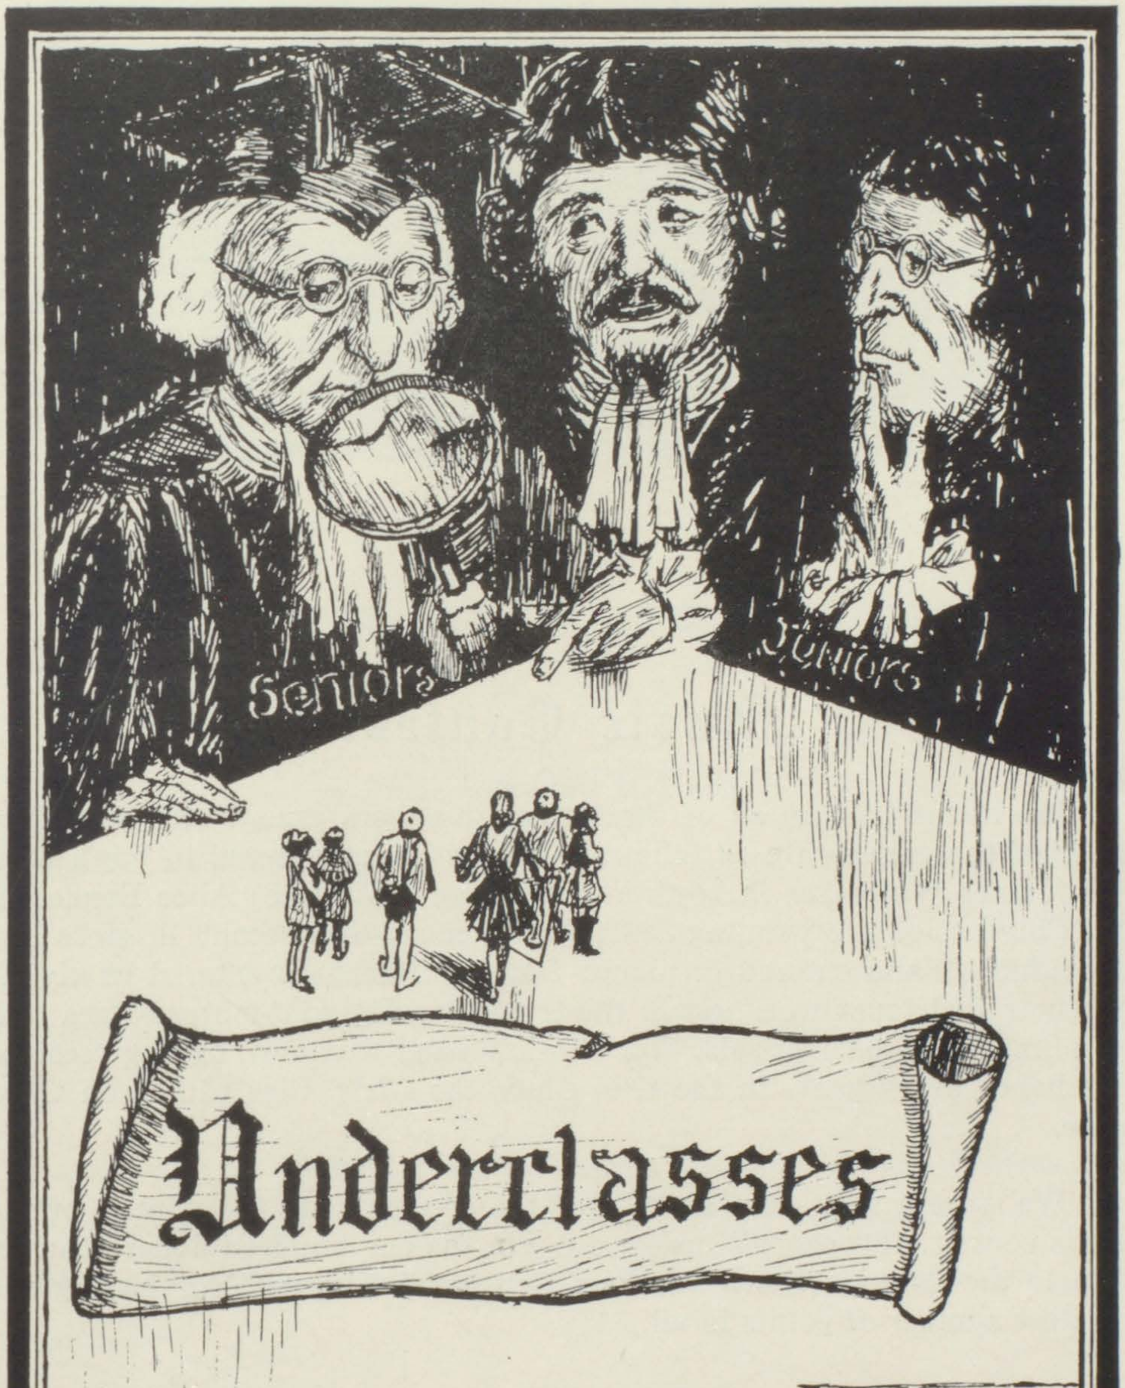

And we know nothing of their work in life's hard field,
This class of which we speak
Has almost reached its highest peak.
One more year in which to ascend
And its high school career has come to an end.

Three years ago they entered high school
Bashful boys and girls and hard to rule.
But now they're big and brave and strong
And seldom do the right things wrong.

Tomorrow they may be famed and great
For their life cards are played by Fate.
Yet they may be poor and unrenowned
Because life's easy spots they have not found.

And now, though their future is not revealed
And we know nothing of their work in life's hard field,
We wish the Junior Class success
And may every one of them good luck possess.

—Pauline Yoder.

Commercial Contest

At the annual contest held at Flagstaff, Winslow placed in all the commercial entries. In advanced shorthand, Virginia Franklin took second; in beginning shorthand Vivian Camp also won second. Julia Waits won third in Typing II while Gladys Thomack received third in Typing I. Ruth Miley won second place in Bookkeeping. We placed second in this contest among all schools in Northern Arizona.

Music Contest

We had entries in all of the musical numbers except orchestra. The order of the entries are as follows: Charles Dover entered in boy's high solo; James Whiteaker in boy's low, winning first place; Alice Bender in girl's high solo, also winning first; June Rooney won second in girl's low solo; Julia Waits entered in piano; Dorothy Barnhart entered in violin; Apolinar Rodriquez won first in the trumpet solo and Ambrose Baca also won first in the clarinet solo. The Winslow band won first, having received this honor every year. In the Glee Clubs the Girls' Glee Club won third place.

We were a very close second for the cup given to the winner of the music contest. However, Winslow did win the one hundred dollar scholarship to the Arizona State Teachers College at Flagstaff for having the greatest number of points in all.

Just two years ago on a September day we entered High School. We were so proud to have attained, at least, one of our greatest ambitions! As Freshmen we struggled valiantly with Algebra and General Science and conquered.

This year we are wide-awake Sophomores looking ahead to our annual picnic and dance.

We have enjoyed our two years here with the upper-classmen, and look forward to being Seniors. Our highest ambition!

At last our first goal has been attained. We are Freshmen. This does not mean it will be our last. We also want to be Seniors in the future.

We approached this year rather suspiciously as we had often heard tales of Freshmen. We soon found that being Freshmen was not as bad as it could have been, and therefore strove to make our class the best in Winslow High.

Our musical ability shows up, for we have several in the band.

The social activities of the Freshmen have been in the form of two parties. Even the upper-classmen had to admit they were good.

We are now approaching our Sophomore year and are hopefully wishing that we shall be able to hold higher standards both in inter-class activities and scholarship.

Our new teachers are very nice and have explained everything. We hope we've made a good impression.

"UNDER CLASSMEN"

We've written a poem about everyone else.
I guess the "lower classmen" think they're on the shelf.
But don't you worry, you, too, will be seen,
For we all like the "Sophies", and "Freshies" green,

The Sophomores think they're the best class yet.
They'll give to our high school, its old High Pep.
But the Freshies come in ("Oh please don't think that!
We've got three years, a good chance at that.")

The Sophs will go on, "Maybe yes, maybe no,"
Then the Freshies will come, "Following footsteps of old."
They'll battle for honors of days like you and me,
They'll become Seniors and Juniors refined,
Leaving other Freshies and Sophs behind.

Activities of the English Department

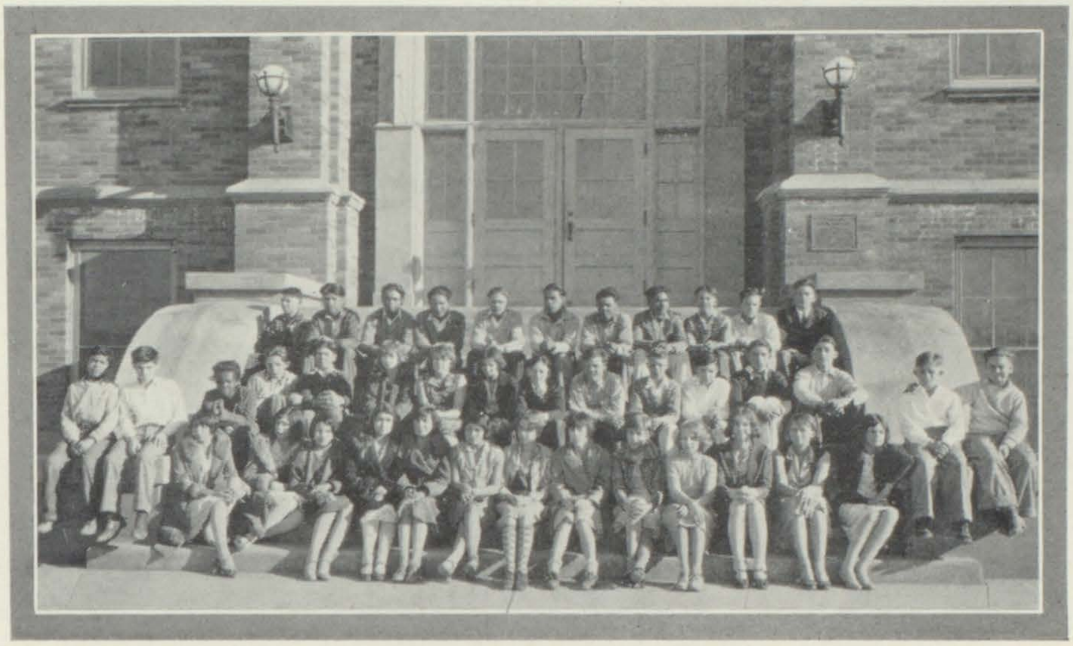

In order to broaden the participation of Winslow High School students in speech activities, the members of the public speaking class decided to participate in the Sixth International and Eighth National Oratorical Contest on the Constitution sponsored by the newspapers of the country and in Arizona by the Arizona Republic of Phoenix.

Tryouts were opened to all senior high school students. In the preliminary contest according to the decision of the judges James Whiteaker, senior, won the decision over the other contestants and the right to speak in the district contest at Flagstaff on April 6th.

Here again the judges gave their decision to Winslow and James was allowed to compete in the all state finals held at Phoenix on April 17th, and was given $15 in prize money. Winslow's entrant met defeat here at the hands of Phoenix Union High School and Mesa Senior High School; their contestants, Alfred Baughn and Byron Holden winning first and second honors.

Winslow High School is to be congratulated according to the contest director of the Arizona Republic for sending a contestant to the state the first year the school entered the Constitution event. It is hoped that participation in this contest will in the future be a major speech event in Winslow High School.

Other Winslow students winning honors in English and speech activities for the year are: Margaret Harmon, senior, who placed second in the A. S. T. C. essay contest and Louise Smongeski, senior, who took second in the serious dramatic reading. Colleen Quinn, junior, competing in the humorous reading event placed third. James Whiteaker won first honors in the oratory contest for the district, thus being eligible to enter in the University finals at Tucson, May first and second.

Football

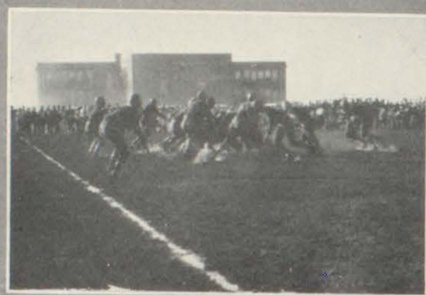

Under the leadership of Captain Matias Gallegos, the team reached the goal they had in sight at the beginning of the season—the winning of the Northern Arizona Championship. We had an exceptionally good team this year, which is proved by the goal we reached. Most of the good playing was credited to the lively running of our well groomed backfield and our great aerial attack. This said combination consisted of Captain Matias Gallegos, quarterback, Louis Giragi, quarterback and safety man, George Dietz, halfback, Claude Hasten, halfback, Willie Girard, halfback, and Robert Carter, fullback. The aerial attack was woven around our ends, Darrel Simmons, D. C. Gallegos, and George Haynes; and our passers George Dietz and Willie Girard.

The other members of the team, our forward wall, were: Guards—George Stevens, Thomas Kiernan, Colman Savage, Sam Hirokowa, and Perry Stegmier; Tackles—Melvin Hasten, and David Parker; Centers—Ralph Wickham and Carl Brady.

The season's games as in the order played are:

Winslow	20	Truxton	0	Winslow	61	St. Johns	0
Winslow	0	Gallup	0	Winslow	14	Prescott	18
Winslow	20	Jerome	6	Winslow	14	Snowflake	0
Winslow	20	Clarkdale	6	Winslow	26	Williams	0

Total: Winslow 175; Opponents 30.

Winslow vs. Clarkdale

Fighting a hard battle, the Winslow Bulldogs defeated the smelter town boys for the first time on the Clarkdale field.

The game was the roughest ever played by Winslow. It was our end, George Haines, who scored the first touchdown when he received a pass from Dietz.

The Clarkdale team fought its hardest game during the third quarter when it succeeded in making its only touch down.

After Haines had scored again from a pass from Simmons, the most spectacular exhibition of the day was when Giragi intercepted a Clarkdale pass on his own 10 yard line and ran 90 yards through the dazed Clarkdale boys for a touchdown. We won a 20 to 6 victory over Clarkdale.

Winslow vs. Jerome

The victory of this game was accredited chiefly to Simmons, Dietz, and Giragi. The first score of the day was made by George Haynes who fell on the ball back of the goal line after it had been blocked by center Ralph Wickham.

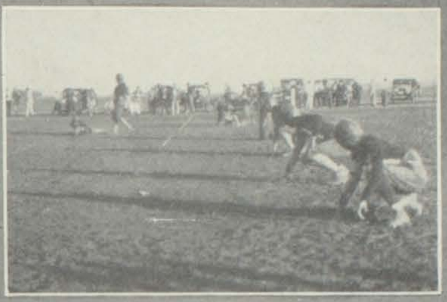

The only score obtained by Jerome was made in the second quarter when a Jerome man recovered a fumble and ran over the goal line.

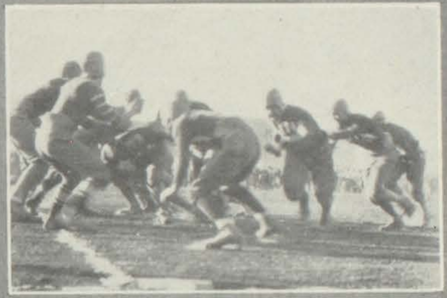

In the third quarter the best football of the game was played. Right end Simmons and half-back Dietz seemed to get

warmed up on their passes. Time after time they completed them and ran the spectators wild.

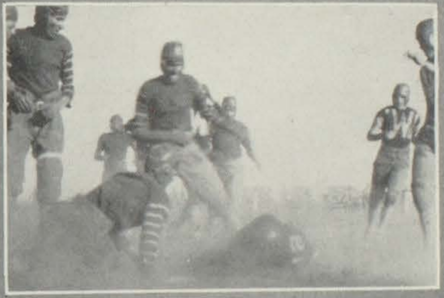

Receiving the kick-off, Louis Giragi, quarterback, took the ball and displayed some marvelous field running by taking the ball back 50 yards.

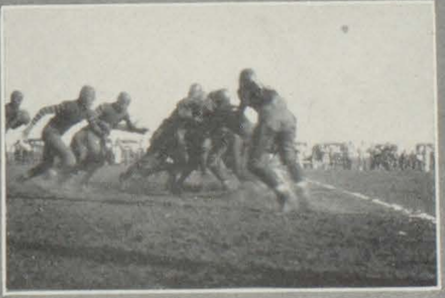

Winslow took all honors by 20 to 6.

WINSLOW VS. ST. JOHNS

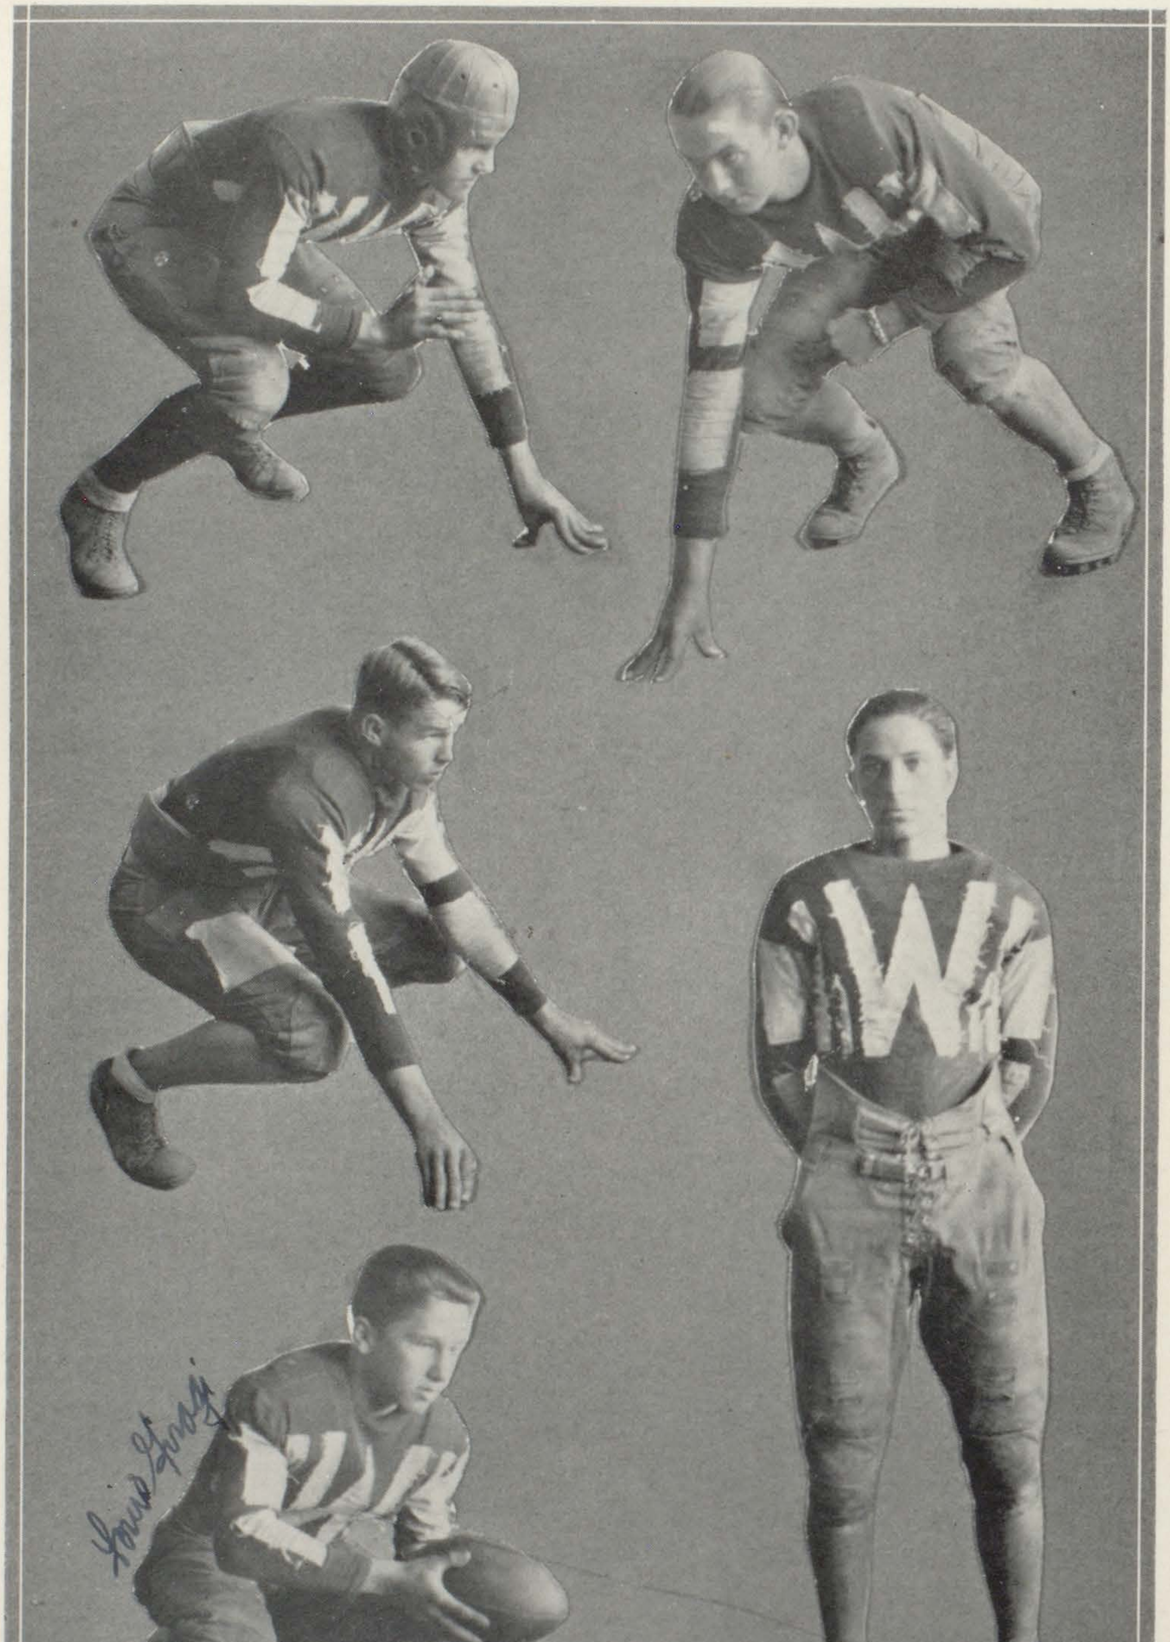

The Bulldogs won over the St. Johns boys by a score of 61 to 0.

During the first quarter the Bulldogs scored twice by the driving of our back-field. For the next three scores the honor should go to Darrel Simmons, flashy end, who snagged pass after pass to place his team in a position to score, yet not taking the ball over himself. The game was very one sided as we had nearly every advantage over the St. Johns boys.

WINSLOW VS. PRESCOTT

Suffering from over-confidence, the Winslow Bulldogs lost their only game to the hardy Prescott boys on Prescott field by a score of 18 to 14.

The Bulldogs, although playing on another field, showed signs of fight and ability. It seems as though the boys were somewhat nervous when they entered the game and it took them quite a while to get started. But when they did get going, it surely looked good. If the game had lasted several minutes longer, it is certain we would have won, as the boys were just getting their stride as the game ended.

Basketball

It seems as though our lucky star was shining bright during this year's athletic season. At the beginning of the basketball season, the coach had a great deal of good material to pick from. We had the same first team that we had last year, with the exception of Lee Dover, who was a very valuable forward last year.

At the end of the season last year, the squad elected George Haynes captain for this year, and he proved that he was a good leader. The boys worked hard all season and they made a good standing among the teams of Northern Arizona. When the season was near its end, the Coach and the team received an invitation to the State Tournament at Tucson. This was an honor as only a few schools are represented there each year. The

first game was played with a town called Morenci; Winslow won 32 to 16. Next they picked the hardest team in the state to play—Phoenix. Although Phoenix had been beating the rest of the teams of the tournament by large scores, Winslow held them to a score of 27 to 23 in favor of Phoenix. Our boys were well received at Tucson as they were last year. A result of Winslow's flashy playing and good sportsmanship was that the judges of the tournament chose our center and captain, George Haynes, All-state Center.

Everyone in the school and in the town was very pleased with the basketball team this year.

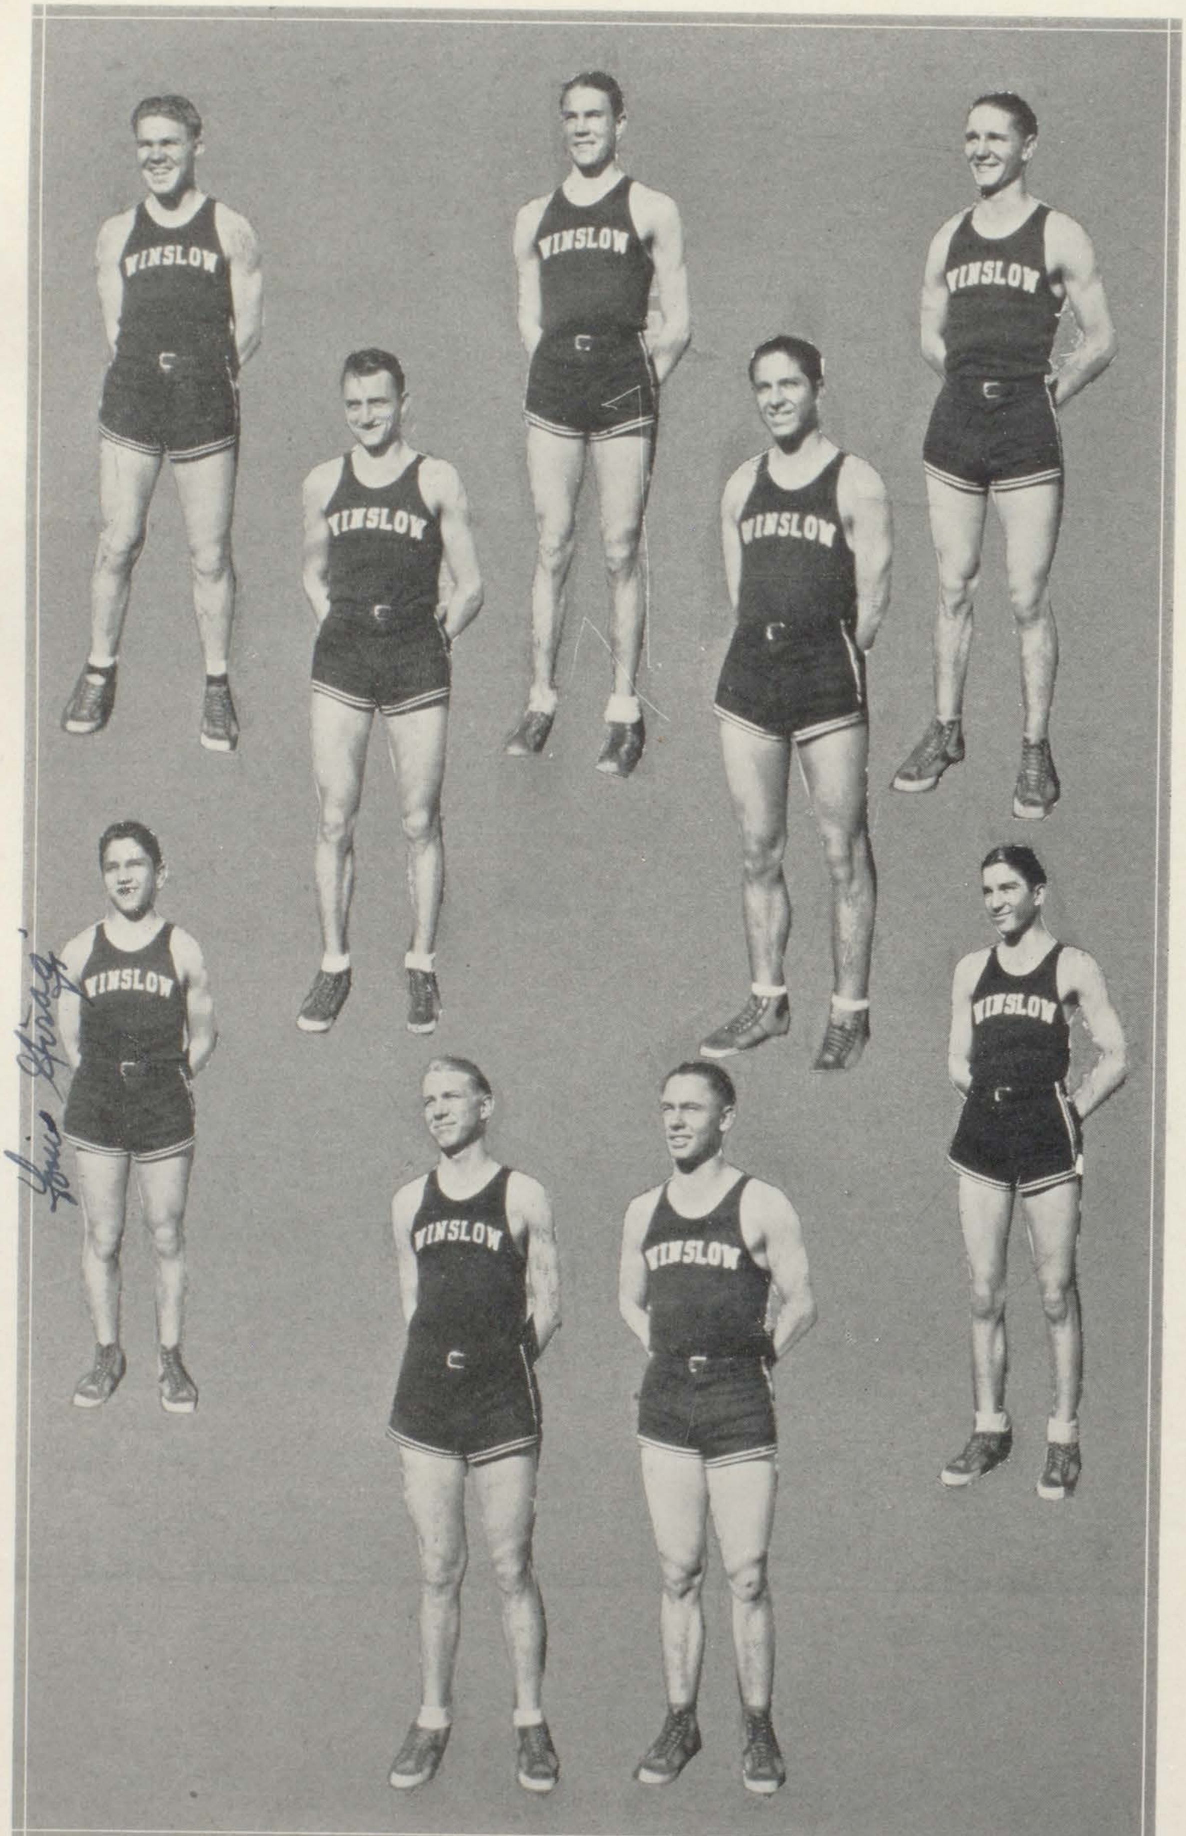

The members of the team were: George Haynes (Captain), Center; Forwards—Matias Gallegos, George Dietz, Louis Giragi, and Willie Girard; Guards—Ralph Wickham, Claude Hasten, L. D. Welch, and D. C. Gallegos.

The games played and the scores are as follows:

Winslow 19	Gallup 29	Winslow 24	St. Johns 16
Winslow 21	Williams 15	Winslow 18	St. Johns 13
Winslow 28	Snowflake 15	Winslow 18	Gallup 17
Winslow 8	Snowflake 14	Winslow 25	Holbrook 24
Winslow 31	Williams 19	Winslow 21	Holbrook 22
Winslow 25	Kingman 17	Winslow 15	A.T.C.Frosh 21

At the State Tournament the games and scores were:

Winslow 32	Morenci 16	Winslow 23	Phoenix 27

Second Squad

The second squad basketball team was composed mostly of lower classmen who aspire to future positions on the W. H. S. varsity and physical development. A score of potential cagers responded to the first call, and elected Bendrue Rhoton, Captain, and Winn Hall, Lt. Captain. The group divided into three teams and found keen rivalry and interesting competition among themselves. Interest and enthusiasm was in evidence as shown by the fact that the squad trained regularly the entire season. Only one game was played outside the squad's own ranks all season; that with the second team of the Redskins. The season's training brought out several examples of promising athletes for the school's future teams. This team was coached by Mr. Carlile.

"W" Club

With the formation of a "W" Club a long neglected activity was instigated. Only two year lettermen or Seniors with one letter are eligible to the club. The purpose of the Club is to install in the minds of the students and the players a desire for clean athletics and good sportsmanship.

The club was not organized until the second semester and has not had a chance to show its worth, but we are looking forward to its being one of the biggest things in school.

Officers of the club are:

President—David Parker

The Pep Squad

In the year of '27, twenty of the snappiest and peppiest girls in W. H. S. got a "bright idea" and organized the "Pep Squad", and did they help in the winning of our games!

For the first two years Virginia Ward was our "cheer leader". The outfits were white trousers, white skirts, and maroon and white skull caps.

Next came "Dusty" Rhoades, "cheer leader" in '30. The suits were the same except in adding maroon and white suspenders, and maroon "jockey caps".

This year Colleen Quinn was chosen as our leader. Of course we had to be different, so we changed our outfits. We had maroon skirts, white "Clara Bow" blouses, maroon ties and maroon berets.

The real purpose of this organization was none other than to inspire our boys to do their very best in football, basketball and track.

Before each game it is the aim of the "Pep Squad" to give snappy programs for the student body, helping the boys to realize they must win another game for W. H. S.

Let's give three cheers for dear old W. H. S. *Rah! Rah! Rah!*

A Lucky Break

The Senior Play, "A Lucky Break" was the story of a prodigal son, John Bruce, who returns to his home town to make it a busy and growing community. He intends to start a pottery factory but encounters a serious obstacle in the form of the village tightwad, Abner Ketcham, who wants to start a new cemetery on the only possible site for a factory. He buys all of Abner's cemetery lots and thus beats the miser at his own game. In the meanwhile, John falls in love with Nora, the beautiful daughter of his former hotel proprietress. He marries Nora and the play comes happily to a close. The story took place in the hotel of Martha Mullet.

"The Ghost Bird"

The Juniors unanimously chose "The Ghost Bird" for their play this year. The play has the following cast:

Andalusia Anderson	Alyce Bickel
Will Belmont	Earl Cranston
Tobias Tolliver (Toby)	Carl Brady
Mrs. Dore	Edith Duffy
Carl Thomas	Ralph Harris
Catherine Belmont	Margaret Humphries
Philip Graham	George Haynes
Brad Buckhart	George Dietz
Celeste	Colleen Quinn
Bella Walker	Marian Walsh
Annie Bloom	Ruth Miley
Jenkins, the police detective	Louis Giragi

On April 3rd and 4th the Juniors gave the play, "The Ghost Bird." It was quite a hit. The stage was lighted and the sounds were nicely carried under the clever management of Earl Miller and Perry Stegmeir. The Business Manager was Bessie Girard with Louis Giragi as assistant manager.

The plot of the play was carried out as follows: Phillip Graham is invited to the residence of Mrs. Dore as a relief to his nervous strain. During the course of events Brad Buckhart is stabbed to death. Nobody seems to know anything about the occurrence but finally in the end the murderer is found out and everything turns out right. You would naturally suspect Celeste. Everyone does. Toby Tolliver and Andalusia Anderson added quite a touch of humor to the story.

Society

Junior-Freshman Party

On November 28, the Juniors and Freshmen gave their annual party. The auditorium was decorated in the colors of the two classes and with colored balloons. Music was furnished by Lloyd's orchestra and punch was served by members of the two classes. Dancing soon came to an end and the guests went home declaring the Juniors and Freshmen as accomplished hosts and hostesses.

Senior Picnic

The Seniors gathered after 4 o'clock in early fall of the school term to go on their picnic. They chose an ideal spot in Jack's Canyon for the "big event of the year." After "eats" the faculty and the students gathered around the camp fire and sang for a while. Practically everyone aided in reviving old memories. We went home tired and dirty, but happy.

Football Banquet

The banquet this year proved as highly successful as the football season. The meal was served by the mothers of the squad. After a hearty meal the boys elected the captain, George Dietz, and the co-captain, Louis Giragi, for next year. Each boy was introduced to the guests and everyone expressed his appreciation for the lovely meal. The favors and table decorations were very unique and appropriate.

Miss W. H. S. Contest

The contest this year, which is for the benefit of the annual, proved to be a very highly contested battle. The candidates were as follows: Senior, Alice Bender; Junior, Coleen Quinn; Sophomore, Josephine Billingsley; Freshman, Betty Black. When the preliminaries ended we found Alice Bender and Colleen Quinn in a close race. The Seniors were ahead for awhile and then the grand final found Colleen winner by several dollars.

Society

Junior Prom '30

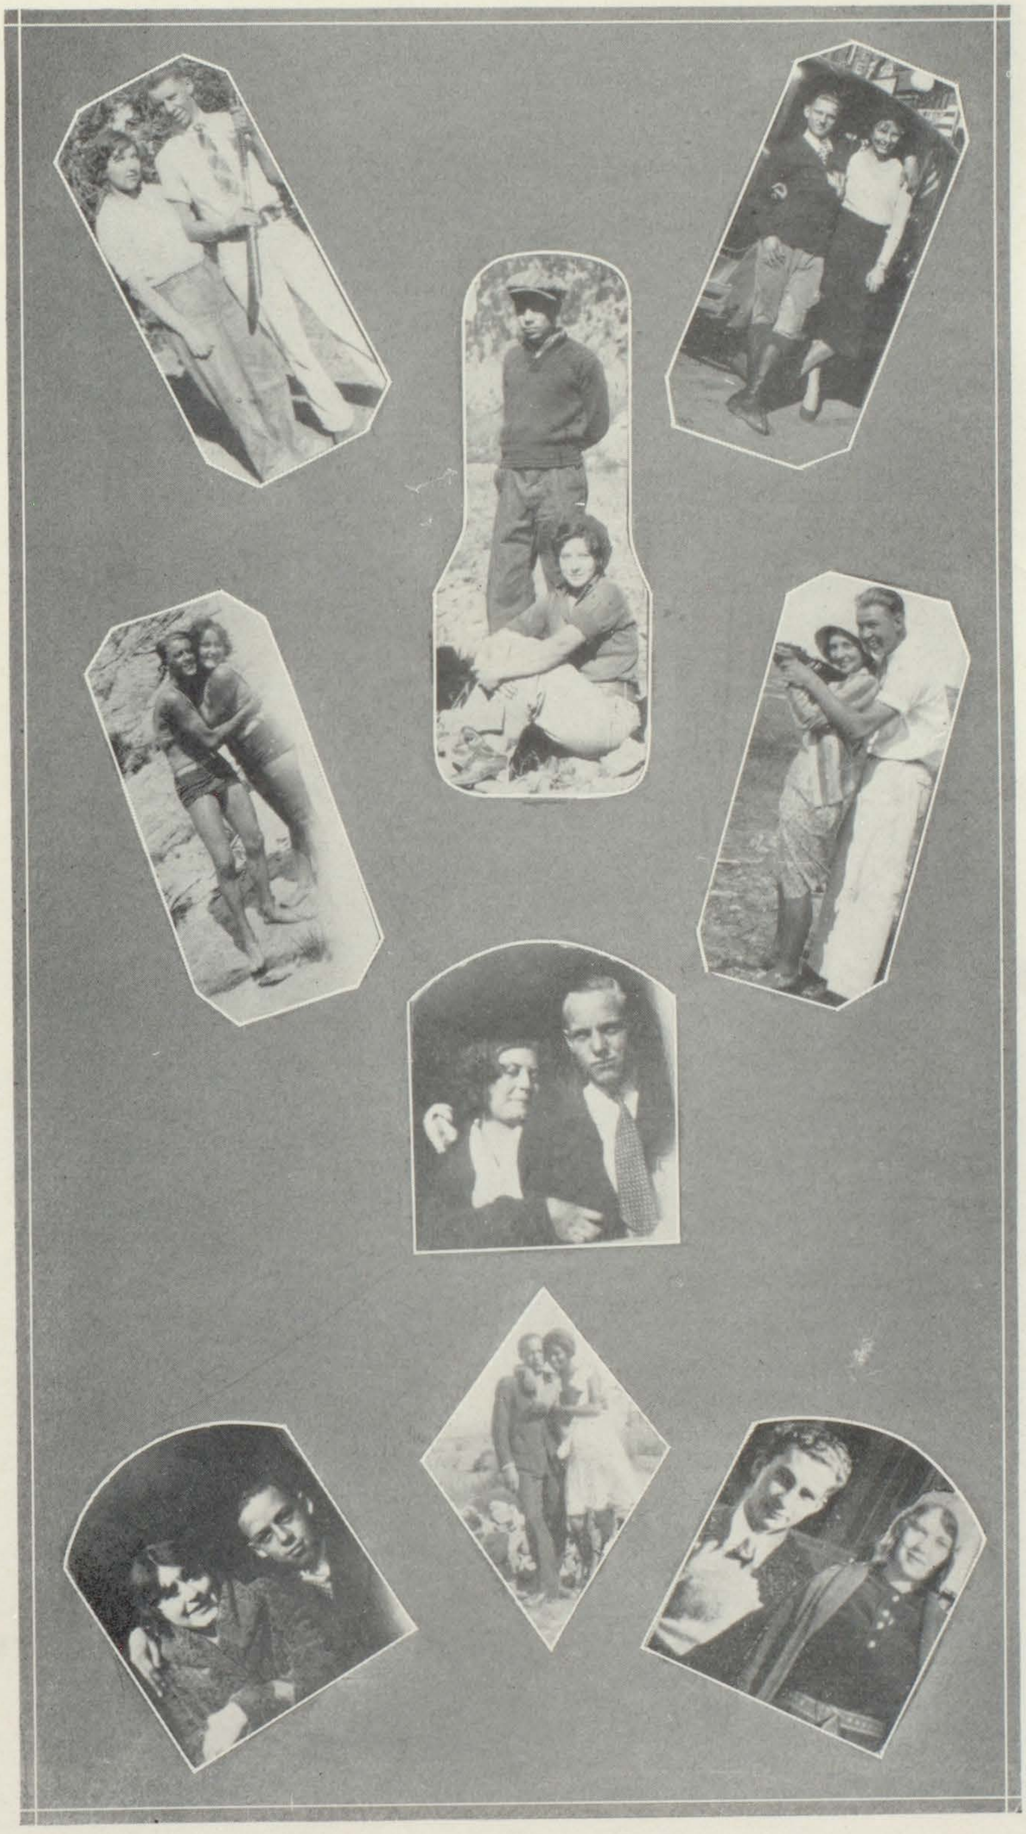

The Juniors started off with a "bang" last year so they might work up to the point of being able to give the Seniors of '30 a good prom. The hall was decorated in resemblance of a huge jungle. A large crowd attended and each class group was favored by a special class dance. Punch was served from a booth of jungle moss. Each guest declared himself as having a lovely time and hoped that all proms in the future would be as highly successful.

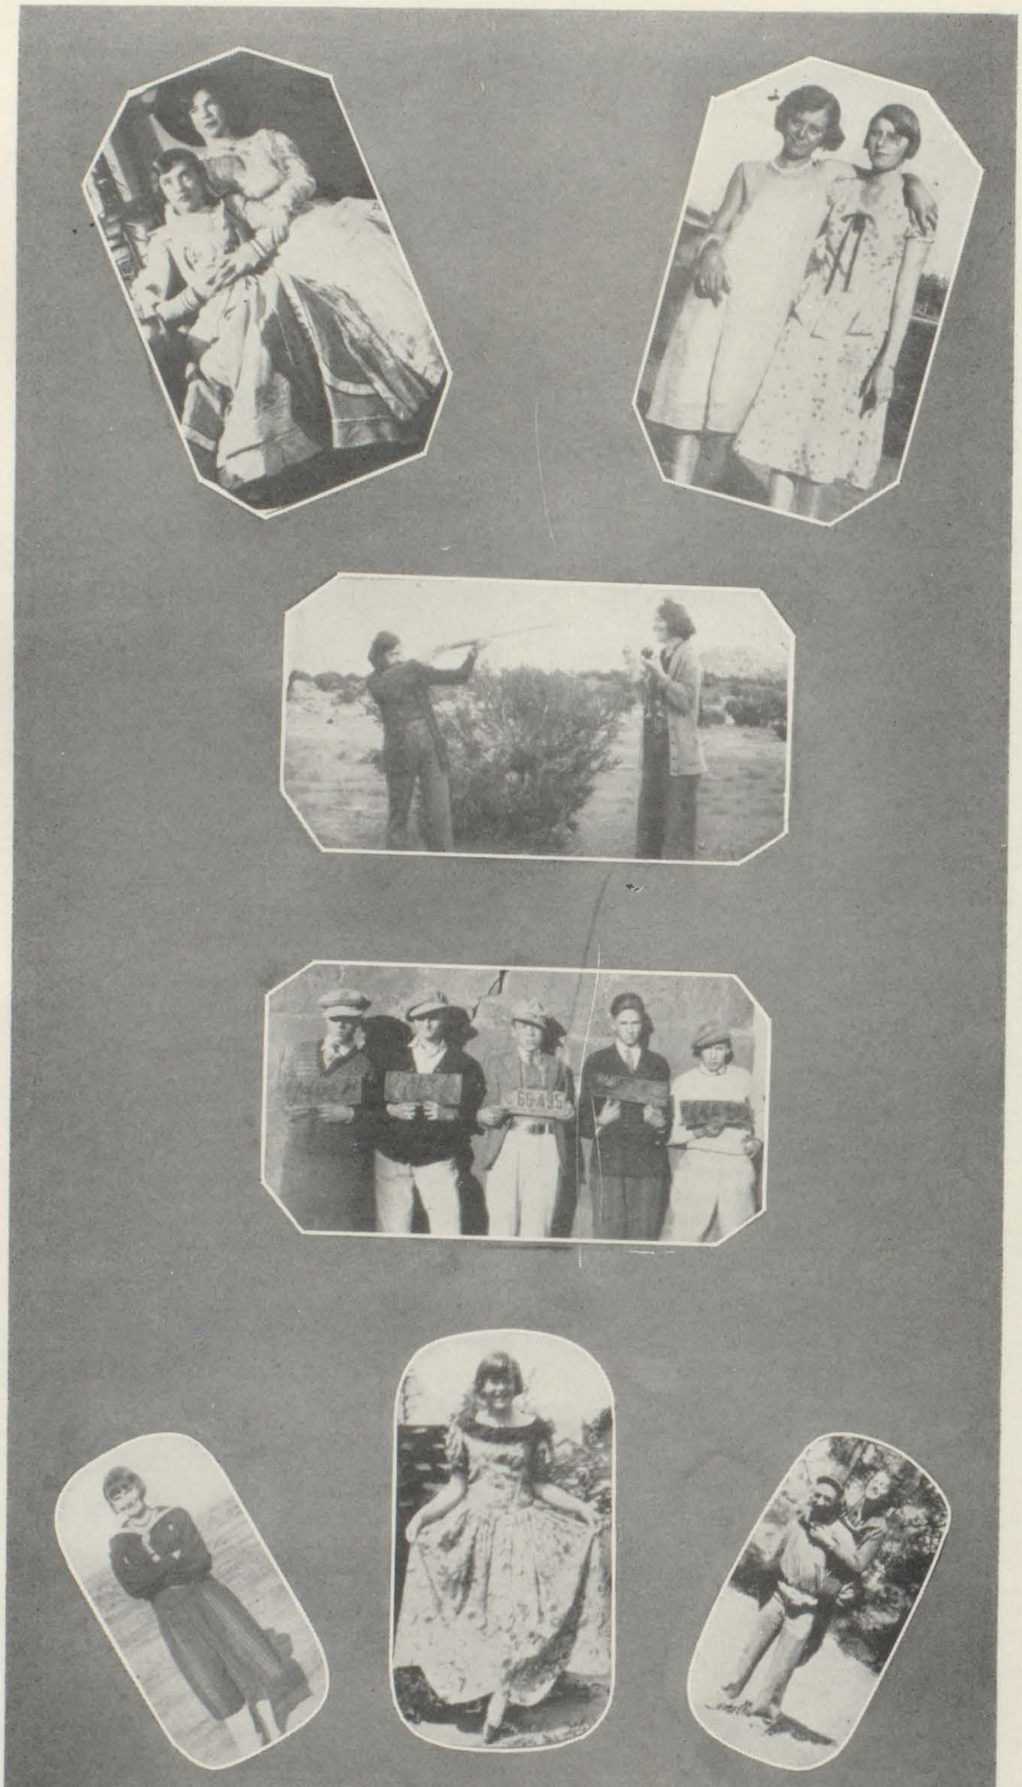

Senior Hop

The school auditorium was a whirl of laughter and confetti on the evening of a carnival Senior Hop. Music was furnished by the well-known Lloyd's Orchestra. There was lively music for the likewise lively crowd. At a late hour the dancers, confetti covered, departed.

Freshmen Party

The Freshmen added more credit to their names when they gave the sub-freshmen a party following their enrollment after the first semester of this school term. Mr. Letts chaperoned the delightful evening which was made entertaining by novelty games and dancing. Dainty refreshments were served by the hosts and soon the guests departed for their homes, each thinking to himself that High School wasn't at all such an undesirable place.

LOUISE SMONGESKI.

Prophecy of Class '31

Just imagine in 1941, on looking down from Mars seeing:

Ambrose Baca and Apolinar Rodriquez, the former musicians of Winslow High School, members of a dime orchestra in Hopson.

Alice Bender, most beloved by Senior Class, is teaching the Highland Fling in an Old Ladies Home.

Bobbie Brayman: I can now see she is the head of the chemistry department at Harvard.

Alfred Bengston: Has turned out to be a wonderful manicurist—the most renowned in Los Angeles.

Langlin Baker: Now living in Turkey, where he is giving short talks on Woman Suffrage.

Theo. Brown: From the little school boy, he is now running for Prime Minister of Kansas.

Nathan Bly: The one who has soared above us all is Nathan Bly. I see him now in San Antonio and he is an expert aviator. Nathan always did have a tendency to leap in the air.

Ted Clark: He used to play Frenchman parts. He soon began to think he was a Frenchman. Now he is Count de Luca of Paris, Illinois.

Vivian Camp: She was always so quiet, but she is doing a great work now—"Aesthetic Dancing for the Frail Women of Tombstone."

Joaquin Cabrera: A Bull Fighter in Mexico.

Hazel Carmack: She is now proprietor of a sweet little home in the West, living with her husband, Robert Dietz.

Charles Dover: He is now head of the Labor Union and has his office in the Flatiron Building of New York City.

Evelyn Vaughan: She is a highly paid radio star over KFI.

Lee Dover: He is Hollywood's highest paid motion picture star.

Pat Duke: Turned from a cowboy to chief of police in St. Louis and is doing a thriving business.

Herbert Edwards: Traveling salesman, selling a new patented collar, guaranteed not to get dirty, and he has a good line, too.

Prophecy of Class '31

Cecil Fouts: Has just completed a very successful book called "Critic Teachers—What They Are and Should Be".

Effie Mae Farnsworth: Her name is not in electric lights on Broadway, but she is starring as a teacher just the same.

Matias Gallegos, Mike Guardian, Daniel Garduno: These three are doing a coast to coast hike and they call themselves the Trudging Trio

Thomas Kiernan: The Presidential Election is now going on. Tom is running a close race with the Republican candidate, Darrell Simmons.

Hattie Lowitzki and Louise Smongeski: Are teaching (missionaries) in Jerusalem.

Jimmie La Prade: Jimmie La Prade is the successor to Al Capone, with his assistants, Wickham and Parker.

Naomi Marty, Julia Waits: Both are giving concerts at Leupp, entertaining the Indian children.

George Stevens: Training fleas for the circus. One got loose one night and caused great confusion in the dog kennels of James Whiteaker.

Margaret Harmon: Has a position as a model in the Fancy Dress Emporium at St. Louis, which is owned by Nellie Yarnell.

Ivan Larson: He is a great manufacturer of sleeping potions for wide awake Americans.

Willie Girard: He is seen selling peanuts and popcorn on the corner of Fifth and Broadway, Los Angeles.

Marjorie Gardner: Married Lord Barreymore from England.

Georgia Hancock: Our refined stylist is now knitting sweaters for the needy.

Dorothy Wickham and Claude Hastens: The two are now happily married, and (would you believe it?) own the largest oil wells in Moqui.

Lola Harris: Our business girl is now working as a maid at the Ritz Hotel in San Francisco.

Mildred Hurst: And, Mildred (you'd never believe it) joined a band of native Hawaiian dancers on the beach of Waikiki.

Melvin Hastens: This young man has taken Caruso's place in the hearts of all song lovers.

Eddie Kiernan: Is now directing the Ziegfeld Follies.

Evelyn C.: "What makes you think so?"
Evelyn V.: "Because they are always talking about school spirit."
